THE EVANGELISM AND DISCIPLESHIP COMMISSION
OF THE EVANGELICAL CONGREGATIONAL CHURCH

PARTNERING WITH NAVIGATORS

A NEW DIRECTION FOR GOING DEEPER WITH GOD

*See, I am doing a new thing!
Now it springs up; do you not perceive it? (Isa. 43:19a)*

Rejoicing together, as pastors and leaders, in giving God the glory for:

The interest expressed during the National Conference from the Cedarville, Winnebago, Dixon, Afolkey, Lancaster Tapestry and Easton First Churches regarding an involvement in the unprecedented, partnership between the EC Churches and Navigators that reveals a *new thing God is doing among us* in making disciples who will impact their communities for Christ.

Praising God for:

The following story of God's movement and proven process in developing the ministry of intentional discipling, through partnering with Navigators, under the leadership of Pastor Jacobs in the Clarion Riverhill EC Church:

I thank God regularly for our involvement with the Navigators through their intentional discipling making program. Brooke Hershiser has become a personal friend and a genuine part of our congregation. He has worked diligently in helping us transform into a discipling Body. More than 20 believers are going through the Col. 2:7 series.

What a joy, as Pastor to see 2nd a 3rd generation believers springing up. Disciples becoming Disciplers – Hallelujah!

I am thoroughly convinced of this strategy. It is working and it is growing Riverhill Church spiritually and numerically. I strongly recommend it to all churches.

Pastor Terry Jacobs
Riverhill Evangelical Church

Thanking God in Advance for:

EC Churches that will continue to spring up in which the pastors and leaders will hoist their spiritual sails in the direction of this **new thing** God is doing among us-making loving disciples through their partnerships with Navigators.

For Christ's sake,
