EVANGELICAL CONGREGATIONAL CHURCH

E.C. LEADER

CALLING ALL PHILIPS

H

ow many people do we know that have an interest in Jesus, want to explore the Christian faith, but they lack knowledge? What we need are more Philips. Remember him? According to the narrative in Acts 8, an angel directs Philip to go south to the desert road that runs from Jerusalem to Gaza. There, an official in charge of the treasury for Candace, queen of Ethiopia, is sitting in his chariot reading from Isaiah the prophet. Directed by the Spirit, Philip runs over to the Ethiopian and asks, "Do you understand what you're reading?" His response to Philip is classic. "How can I, unless someone explains it to me?" At that, he invited Philip to come, sit with him and explain the Scripture. Beginning with the suffering servant passage in Isaiah 53, Philip expounded on the Scriptures and told him the good news about Jesus.

What about us? What inquisitive, seeking people that are exploring the Scriptures could we get to share with simply by asking the question, "Do you understand what you're reading?" As I ask that, I'm aware that another Holy Week is upon us. We who know and love the Lord will again take time during this week to attend special services and reflect on those Scriptures that emphasize all that Jesus, the suffering servant, went through for our sakes on his way to the cross. We will also celebrate Easter, rejoicing in our Lord's resurrection victory over sin and the grave. I remind us to share the "Good News" of the Gospel story with those interested in learning more about our Jesus. If our purpose really is "to know Christ and make Him known," then sharing like Philip did must become priority number one.

National Conference Chair Prayer & Praise

- ◆ Praise God for the good progress being made in our stationing work. Please pray for the pastoral and church appointments that still need to be completed. Also remember the Stationing Elders and Conference Ministers as they seek to fulfill their responsibilities in this task.
- ◆ Continue to pray for the upcoming National Conference sessions to be held at Messiah College, May 25-27.
- ◆ As we prepare for the upcoming election of our next Bishop at National Conference, remember to pray for the four candidates, their families and their current ministries.
- ◆ As the Delaware Region Conference Minister installation service took place on April 17, I request that all of us pray for Rev. Gary Kuehner and his wife Carol as Gary continues his preparations for this new arena of service in the Evangelical Congregational

Church.

- ◆ Please pray for Mrs. Sharon Haupt and the Haupt family as they grieve the recent death of her husband, retired pastor Rev. Roy T. Haupt.
- ◆ Pray for the regional Conference Relations Committees and those seeking credentials and ordination in the E.C. Church. As the interview process is completed by each committee remember to pray for each candidate seeking approval at this year's National Conference.
- ◆ Praise God that the Tsunami in Japan did not directly affect any of our E.C. churches in that country. However, I ask you to remember Rev. Nobuo Abe as he continues to provide the leadership for our Japan churches in these trying days.

YOU LEAD 2011 will be traveling to Zaporozhe, Ukraine in June to work with EC missionary Ken Sears.

“You Lead” is an EC camp for teen leaders, usually held in Ohio or Illinois. The course is a three year cycle the third year of which is a mission trip for those who have participated in the camp in the US for at least one of the years. Year one offers “Keys of the Kingdom [of God]” followed by year two “Reclaiming the Kingdom”. The group travels in year three to use what they have learned “in the field.”

This year the team consists of Joe Dennis, Leighan Wells, Mary Hollingsworth, Rachel Nitache and Gary Brown, all based in Ohio. The Illinois group includes Annette Carr, Hannah DeVries, Sydney Koch, Kyle McIntyre, Abigail Willey and Nancy Wadsworth.

While in Ukraine the group will be helping with two very different camps—Camp I will be a VBS type gathering. The participants will be ages 7-12. Our group is responsible for crafts and games. Several work projects await us to help out the community. For Camp II we will travel to Feodosila (near the Black Sea). There we will participate in various seminars with teens from Ukraine discussing issues many teens face.

If you would like to partner with us, either in prayer and/or with a donation we welcome the help.

Donations may be made to YOU LEAD 2011, c/o Nancy Wadsworth, 1152 Bay Drive, Dixon, IL 61021.

News from Benefits Corporation /Compensation Committee

Participation in the AllOne Wellness program during 2010 remained constant in some areas but decreased in others. Involvement in AllOne Health Disease Management Programs remained stable in 2010, with over 100 members enrolled, and contact with health coaches was above average as compared to other AllOne clients. We experienced a decline in completed Health Assessments (HA) with only fifty-one HA completed compared to 119 HA completed in 2009 and only 24 participants qualified to receive the gift card incentives. 2011 will be the third year of AllOne and your active participation is strongly encouraged. Thank-you, to those that continue with the AllOne programs and are taking an active interest in your health.

The Healthy Pastors Task Force, AllOne, Corporate Synergies, Prudential Securities and the Benefits Corporation will be in attendance at National Conference, please stop by their tables in the exhibit area.

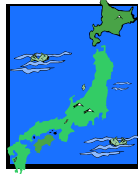

Worker’s Compensation invoices have been mailed to the churches that participate in the program with payment due on July 1, 2011. The EC Benefits Corp. services fee is due from all churches with an assigned pastor(s) (active or super-annuated) by April 15, 2011.

1. Japan update:

The disaster situation in Japan remains somewhat fluid and complicated as they continue to deal with the reoccurring aftershocks, infrastructure issues such as water, food, transportation and electricity as well as the concerns about the damaged nuclear plants leaking radiation. In a recent communication from Rev. Nobuo Abe, the Director of the EC Church in Japan, he expressed his deep appreciation for the prayers and concern on behalf of Japan from the EC Church in the United States and around the globe. To date over \$40,000 has been donated for Japan disaster relief! These funds will be sent to the EC Church of Japan so that they can administer them through their local, regional and national relief agencies in the name of Jesus Christ and the global EC Church. The leadership of the EC Church of Japan will keep us informed on the specifics of how these funds are used and we will do our best to pass that information on to all.

2. Remembering Glenn Paul

The Global Ministries Commission and the EC Church lost a friend and great supporter on March 23, 2011 when God called Glenn to his eternal home. Glenn served the GMC in many ways, serving on various committees, visiting international EC fields and financially supporting the mission work of the EC Church. While we praise God for Glenn's life and example of Christian stewardship, our prayers continue for Glenn's wife Stella Jo and his family as they grieve the loss of Glenn.

3. Save The Date: Fall Mission Rally

Mark your calendars to attend the Fall Mission Rally at Salem EC Church, Lenhartsville, October 14, 15, 2011. Saturday's sessions will include presentations from the Roof's, an EC Church of Japan update from Yoriyoshi Abe and more. Saturday's schedule will be family friendly with programs for children nursery through age 15. Watch for more information as the day draws closer.

4. Visit to the EC Church of Mexico and Annual Conference: April 25-May 2, 2011

Please pray for Randy and Carla Sizemore as they travel to visit the EC Churches of Mexico and participate in the 34th Annual Conference. Randy will be officiating the conference, leading workshops, meeting with the leadership and preaching in various churches. Carla will be leading a session for the women and interacting with the pastors' wives. Carla has developed a prayer calendar for this event which can be viewed/downloaded from our website—www.ecglobal.org.

In the book *From Followers to Leaders*, Bob Logan tells a story of Michael Jordan. For six years Michael was a star on a team that won no championships. Then, Phil Jackson, became the coach of the Chicago Bulls, Phil brought teamwork to the team in a new way. Michael Jordan was still a superstar, but he began to trust in his teammates more and pass the ball to them. The team became a dynasty, winning six championships in the early 90's.

Bob Logan finishes this story with this line, "You might have a MDiv or a DMin. You might know more than many potential coaches. But if you want to be a champion, you need to get a coach and you need to develop a team and trust it."

I tend to think that aim should be a little more specific—you need to get the RIGHT coach! (Who was the coach of the Chicago Bulls before Phil Jackson?) The right coach has the right "chemistry" to bring out the best in you in every way.

I also believe that the trust factor is huge. In fact, I don't believe that anyone can operate on a team very well without trust in their teammates. What do you think?

As an ambassador for Christ, Philip seized every opportunity to tell others about his Savior and Lord. I am urging us to go and do likewise. After all, there is no better time than the present for sharing this greatest story that our world needs to know. And there are many who are waiting to hear what we will say. Our message now and always must be that *“God demonstrated His love for us in this, while we were still sinners, Christ died for us.” Rom. 5:8* If we will be the Philips in our neighborhoods and our communities, people will listen and the Spirit of God will transform their lives.
