

## **Nepal joins with the EC Church America for First Friday Prayer and Fasting**

I recently received an email from the leader of the churches in Nepal Th.Janga that the churches of Nepal were joining with us for First Friday Prayer and Fasting. The Prayer Mobilization Team has been praying for this to happen. Can you imagine the impact it will make across our world when the nations begin to share requests and pray for one another. Just a few years ago you could be placed in prison for proclaiming the message of Christ. Praise the Lord for what He has done!

James 5:16 "Confess *your* faults one to another, and pray one for another, that you may be healed. The effectual prayer of a righteous man avails much.

## **How to pray for our Bishop**

- Give thanks for an excellent Pastoral Assessment Center. God is raising up leaders for the future.
- Pray for God's direction in the Stationing Process – now underway. Ask that all of our assignments would result in "fit and flourish" ministry.
- Pray for God's wisdom as the Director of Global Ministries & I seek to provide counsel in sometimes complex issues of cross cultural and international ministry.
- For effectiveness in the Evangelism & Discipleship course I teach at ETS.
- For the release of the Governance Manual and its use by local churches.
- For our church to find many ways to turn challenges into opportunities.

## **Prayer is Changing the Campus**

Recently I traveled to Austin, TX and the home of the Longhorns. The University of Texas with over 50,000 students was at one time one of the darkest, atheistic campuses in the US. The campus has a prayer building sponsored by over 50 ministries that work on the campus. Two years ago through their efforts they had reached 2% of the student body. For the last couple years God has been moving on the hearts of leaders to unify their efforts by joining together weekly as one ministry to pray for the campus. They have 12% of the student body that claim a personal relationship with Jesus Christ. Prayer is a powerful weapon at our disposal. The Body of Christ is waking up to this reality around the globe. Hundreds of universities are sending their ministry leaders to the University of Texas to see this phenomenon. What would happen if you were able to get the churches in your town to meet weekly to pray for your city?
