

*Praying For More Disciples*  
*Faith E.C. Church – York (Bair), PA*  
*Pastor Mike Campbell*

About 4 years ago we started using the Navigator's *High Quest* series in a triad. We were only able to get one triad started at the time, but we began talking about prioritizing disciple making in our adult Sunday school class.

We then started a sermon series on Luke's Gospel because it has a lot to say about how Jesus taught His disciples.

We developed our own disciple making book called *BE STILL* and began using it for our Sunday school class and for our Wednesday morning and evening prayer meetings.

Since we began "making disciples" our priority, we now have 15-20 people involved in the process. We have received many blessings in the areas of spiritual transformation, church attendance, church finances, and sharing the Lord with others that we believe these blessings must be related to our refocus on disciple making and following the Lord daily.

Please pray that the Lord will bring more people into our fellowship and disciple making process.

**A WORD FROM GOD'S HEART**

Ed and Valerie Schubert rejoice that ALL paperwork has been signed for the completion of Cheynece's adoption. Thank you Jesus! Casa De Luz (House of Light) is breaking ground to build a new facility to house more children (during the day while mothers are working) who otherwise would be on the streets selling themselves or items to just stay alive. Casa De Luz daycare is under the direction of Valerie and Ed is the overseer/builder for the new building. Pray with them that all legal paper work involving the daycare will be completed soon.

letting the drops...one by one...  
trickle onto an unblemished page....  
D-E-E-E-P sighs sign their name....  
dry depressions want to stay....  
all my tears rush to center page....  
the Father holds my tears....each one....  
then passes the book to His Son....  
who now shows it to Holy Spirit....  
who whispers it into the heavenlies!!  
ministering angels gather close as the Father  
reads the "story of the 'great sadness'....  
they listen, leaning into their Maker...  
all of heaven STOPS (Rev. 8)  
as Abba Daddy reads....

I have been heard!

I AM has heard my prayers, my cries  
I AM has seen my tears, I AM has felt my deep  
sighs.

"I have heard you! I have felt the heaving of your  
body as you laid your head on My chest", the  
Father declares;

"I am touched with feelings of her heart's cries"  
shouts the Son;

"I will pray for her with groaning, Utterances,  
languages that only the Father will understand!"  
whispers Holy Spirit.

Healing now begins as the pliable clay – me – is  
molded and formed to become all He has created  
me to be....a vessel, marked with His signatures.

## *Tears Flowing*

Psalm 56 "...have mercy on me, O God, for they are attacking me! Tormenting me! When I am afraid, I trust in You. In God – I boast in His promise – in God I trust, I am not afraid. You keep track of my misery. You put my tears in Your leather container! Are they not recorded in Your scroll?....

tears flowing....  
dripping on Heaven's door....  
river of hurt....  
from the depths of my heart....  
tears!....  
racing down river beds of "doubt"....  
flooding into the throne room....  
bottled heartaches....  
re-arranged by angels....  
given with the gentlest hands....  
to the King!....  
He gathers each and every one....  
quiet tears of woundedness....  
He tilts the bottle.... Oh so carefully....  
over His book of remembrance....
