A Great Way to Give a Gift to the World and to a Loved One

In 2007 we introduced a new way to give a gift to the world and to a loved one with the first GMC Giving Catalog. Your response was encouraging as you paged through that publication and allowed God to whisper His direction into your heart and giving. *We are in the process of researching how we can make this giving catalog experience simpler and more user-friendly. In the mean time we offer this updated version of the ministries and projects that are near and dear to the heart of so many in the EC Church. Once again I encourage you to prayerfully consider this updated catalog of giving opportunities as it follows our determination to Empower National Churches, Facilitate Mission Workers, Minister To The Marginalized and Create Global Christians. If you use this catalog to give a gift in honor or recognition of someone you love and admire, we'll send a card so you can let them know you contributed in their name. Thank you for giving to the Lord through His Church!*

EMPOWERING NA

1 Training New Believers in Liberia:

The follow-up phase of our successful Launch Liberia project involves intentional discipleship. You can help Liberian pastors disciple new Christians in their faith and grow to maturity. A donation of any amount will help meet the needs of the "Fishers of Men" Discipleship Ministry:

- Training materials for disciples (5 year program with 4 levels of training)
- Fuel to run the generator for classroom instruction, photocopying, etc.

- Transportation: a vehicle to transport the trained disciples to strategic locations in the villages to carry out their ministry of presenting the Gospel. (approx. \$20,000)
- Bibles: Bibles in the tribal language cost \$5.00 each or \$25.00 per case.
- Support for the Field Superintendent's office.

Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.

—James 1:27

FACILITATI

4 Nepal Mission Pastors & Evangelists:

The EC Church of Nepal continues to reach one of the least reached areas of the world. Their 14 mission workers have established 10 churches and 8 church plants totaling over 800 members!

Your gift of \$50.00 will support one of these workers and his family for a month, allowing them to continue reaching the poorest country in Asia with the life changing Gospel of Jesus Christ.

TIONAL CHURCHES

2

Church Planting in Japan:

On May 23, 2010 the EC Church of Japan launched Fuchinobe Community Church in a rented room in Fuchinobe Station under the leadership of church planters Rev. Tomoyuki & Jessica Abe. *One year and six months later the attendance has almost doubled and creative outreach ministries such as French cooking classes, an Alpha-based marriage course and friendship evangelism are introducing a number of Japanese people to the saving love of Jesus Christ.* Your monthly donation of \$25.00 or one time gift of any amount will

allow this church planting couple to focus more time on the new church in its critical start-up stages and less time on providing for their daily needs.

3

Critical Encouragement for Mexican Pastors:

The EC Church of Mexico continues to thrive in the midst of the unrelenting violence caused by the war between the drug cartels. Churches are being planted, souls are being saved and the church has matured to the point of reaching out to help other international EC churches. Your financial gift of any size will send a message of encouragement to our brothers and sisters serving in the turbulent environment of northern Mexico by helping them cover the costs of the quarterly pastors' meetings, women's ministry gatherings and continuing education materials and opportunities for their pastors and lay leaders.

NG MISSION WORKERS

5

Evangelical College of Theology Faculty and Students:

The faculty at Evangelical College of Theology in North East India is on a mission to prepare the next generation of leaders. Students at ECT are the future of the mission-minded EC Church of India. Both faculty and students need financial assistance to continue this vital ministry training. A donation of \$25, \$50 or more will help offset the costs of both faculty and students engaged in missional training for the future growth of the Kingdom.

6

Missionaries in North East India:

The EC Church of India currently deploys almost 200 missionaries ministering at 77 mission stations located in 4 countries among 12 different people groups comprised of 20 languages and 5 major religions. These men and women face severe hardship and regular persecution as they faithfully share the Good News of Jesus Christ, living far below the poverty level. Your monthly donation of \$20.00 or more will help us keep them on these needy fields.

MINISTERING TO THE MARGINALIZED

7 Women and Children's Ministry in Liberia

During the years of civil war from 1989 -2003 the people of Liberia were brutalized, families were torn apart and many children were forced to act as soldiers. The male population was devastated and many women now find themselves as single mothers responsible to care for their families. Your financial gift of any amount will help further the self-sustainability of these women through micro-enterprise programs and care for those children who have lost both father and mother.

8 El Retiro Juvenil Home:

El Retiro Juvenil home in Mexico currently ministers to 34 children who need a safe, loving and stable environment where they can grow and develop while learning about Jesus Christ. Most of these children come from abusive and needy family situations. Your donation of any amount will help provide for the needs of these children.

We have a limited number of individual child sponsorships that allow you to have a direct connection with the child you sponsor including a photo and correspondence. Contact the GMC office for more information on individual sponsorships.

9 World Emergency Fund:

In our complex world a natural disaster, medical need, political situation or a whole host of unplanned, unexpected and unnamed circumstances can pop up at any time creating an emergency for one or more of our brothers and sisters in the global EC Church. Your donation of any amount will be an enormous blessing in times of great need.

CREATING GLOBAL CHRISTIANS

10 Information, Education and Promotion:

How do we tell the average person in the pew what God is doing in the EC Church around the globe? The GMC has chosen to use publications like Window On The World and the EC Global Prayer Guide to educate and inspire, to call our members to

prayer and action. We sponsor GMC Training Seminars and organize adult and Mission Minded Kids rallies. All of this comes at a cost. Your donation to the general fund allows us to continue to produce top quality resources that tell the story of the EC Church around the world and to gather God's people for training and events that enhance our fulfillment of the Great Commission.

11 Home Office Staff:

What does it take to keep our 53 EC missionaries on their fields of service? What does it take to oversee the ministry and partnership of approximately 500 international EC Churches located in six different nations? What does it take to work closely with the EC Churches in the United States being careful to engage each new generation while strengthening the existing mission program? It takes a dedicated

army of volunteers and a small but highly motivated staff. Your regular giving to the general fund will help meet the support needs of the GMC staff.
