

GLOBAL MINISTRIES COMMISSION

of the Evangelical Congregational Church

Empowering National Churches • Facilitating Mission Workers • Ministering to the Marginalized

Jamie and Anita Farr

Left for Thailand in 1999 to help start a missionary school in Chiang Mai. There were 18 teachers and 176 students in the first year of Grace International School. We have seen the Lord do amazing things since then at GIS. The school numbers now over 500 students including furloughing students. There are over 80 staff, all missionaries themselves. In Faith we went into a building program without the finances assured and the Lord has provided. We have been used as teachers, coaches, mentors, disciplers and multipliers. We thank the Lord for the opportunity to serve him wherever he calls us to go. We are an extension of our local churches and partners that support us. Truly the ministries where we serve are the Lord's and he gets all of the glory. In Truth, we could not, and would not go if we were not part of a sending base that faithfully prays and supports us. In this next season we are taking over a new role in Orlando Florida with Wycliffe Bible Translators. Jamie will be the team leader of the Mobilization Team for CHED (Children's Education Dept.) for Wycliffe. This position entails challenging, recruiting, assisting, and preparing each teacher for whatever field they will be going to around the world. Wycliffe partners with other missionary and church organizations all over the world in 80 different educational settings on every continent except antartica. Each year we have needs in excess of 150 new teachers. We are currently looking at needs in excess of 300 teachers. I am feeling led by the Lord that we must raise an army of prayers. People who will commit three times/week or more to pray for *Laborers for the Harvest*. We see the Lord telling the first 72 missionaries that he sent out (luke 10) to pray for laborers for the harvest before they even went out. It was the first instruction he gave them before releasing them to go. Our email address is jamie-anita_farr@sil.org. If you will commit for one year to praying for laborers for the harvest, please email us and give us your **address, telephone number, and the day** that you started to pray this way. That Jesus would be exalted in our neighborhoods, our cities, our nations and to the ends of the world is our prayer. Please join us in praying for the Lord to raise an army of people to get involved in partnering to see God's word in every language. It takes mechanics, teachers, computer people, managers, printers, pilots, medical personnel. In short it takes you.
