

DON KUNKEL

HOME CHURCH: Seibert E.C. Church, Allentown

I became a Christian at the age of 8 years old. I was lead to go to the mission field while I served in the Air Force during the Korean War. It was during that time that God called me into ministry.

I graduated from Houghton College, Houghton, NY. That is where I met Kathryn. We have two grown sons and two grandchildren. When I relax I enjoy reading, golf, and walking. My favorite Bible verse is 2 Peter 1:3-4.

I have been with Village Missions since 1959. I served in field ministries, pasturing churches for 16 years, have been a District Representative for the past 26 years. My district is Idaho, Montana, Wyoming, South Dakota, and North Dakota.

I do not have a typical day. Days vary. I could be traveling visiting missionaries and their fields providing encouragement and helps. Could be recruiting at Bible Schools-Christian Colleges. I could be planning for or attending Missionary staff conferences. Or I could be visiting churches that are looking for pastoral leadership.

My goals for the future would be to continue in the present position until God says it is time to retire.

The problems that I encounter would be to continue to work toward the unity, harmony, and cooperation for our missionaries and their people on each field.

My prayer requests are: 1. Pray for safety in travel (many miles each year).

2. Pray for wisdom in helping with any problem situations.

3. Pray that I will be a helper and encourager to the Missionary families.

Many of our fields are on the Indian reservations. Pray for wisdom and guidance in reaching out to the Native American population.

Thanks for your prayers and support!!!!
