*"Declare His glory among the nations, His marvelous deeds among all peoples." Psalm 96:3*

## **Biographical Information – Daniel & Melinda Moury**

Rev. Daniel Moury and his wife, Melinda, are the latest missionary candidates to come out of the Evangelical Congregational Church. Daniel is a graduate of Penn State University (B.S. Mechanical Engineering) and The Evangelical Theological Seminary (M.Div.). Melinda is a graduate of Lancaster Bible College (A.S. Bible) and the Lancaster Career and Technology Center (Licensed Practical Nurse). After serving in pastoral ministry for the past seven years, they are taking a step of faith and obedience as they prepare to join in the efforts of Wycliffe Bible Translators. This global organization has long been pursuing the goal of making the Bible accessible to people of every nation and language.

Dan and Melinda hope to use the talents, training, and experiences God has given them to serve in support roles to the vital work of Bible translation. Their primary task will be the use of Dan's technical and ministerial backgrounds to assist Wycliffe in the work of video production. This means of communication continues to become more and more essential to promote the work of missions and effectively proclaim what God is doing around the world. Melinda's background as a Licensed Practical Nurse will also be of great value to Wycliffe's work in various settings.

Dan and Melinda, along with their four children, Hannah, Josiah, Leah, and Rebekah, hope to take their first full-time assignment with Wycliffe this Summer, at the organization's headquarters in Orlando, FL. They are currently in the process of developing the prayer and financial partnerships needed to allow them to begin full-time

service in that field of assignment. Those who desire to partner with them in these ways can contact them directly or contact Wycliffe Bible Translators using the information given below.
