Spain is in Western Europe and has a population of about 45 million with only 300,000 Christian believers.

Although B.J. Whitaker did not grow up in a Christian family, at age 12 he came to Christ through a friend's invitation to his church and youth group. Shortly thereafter, he sensed God's call to serve in ministry, and he finally submitted to that call at age 16.

Rachel was born in Córdoba, Spain to missionary parents, Ron and Brenda Anderson. She came to know Jesus as her Savior and Lord as a child and from an early age has had a deep desire to reach Spaniards with the Good News of Jesus Christ.

The couple met as students at Asbury College, and they married shortly after graduating in 2002. Rachel has several years experience as a social worker and therapist, while B.J. has been a youth pastor and has recently completed his Master of Divinity degree at Evangelical Theological Seminary in Myerstown, PA.

B.J. & Rachel's burden and passion is to offer Spaniards the everlasting love and hope that Christ alone can give. They will be serving as church planters with European Christian Mission International and anticipate moving to Spain by January 2009.
